OFFSHORE WIND IN POLAND

**CROSS-BORDER LEGAL & TAX SUPPORT
FOR OFFSHORE AND M&O COMPANIES
ENTERING THE POLISH MARKET**

Partnering for the Next Wave

Your Legal, Tax & Accounting Partner for Entering and Operating in Poland

We support international offshore contractors and service providers supplying and maintaining wind farm components in Poland.

Our comprehensive services help you establish and operate your Polish entity efficiently and in full compliance with local and EU regulations.

Company Formation & Corporate Governance

- Full legal and tax setup of Polish subsidiaries or branches.
- Corporate secretarial & compliance.
- Cross-border structuring between Polish and foreign parent companies.

Labor Law, HSE & Maritime Safety Compliance

- Employment contracts, secondments, and payroll services for foreign staff.
- Occupational safety (BHP) and maritime safety requirements for offshore operations.
- Representation before labor and maritime authorities.

Permits & Administrative Procedures

- Representation before national and local authorities.
- Support in obtaining work, transport, and operational permits.
- Environmental and technical compliance during construction and operation phases.

Tax & Accounting Services incl. VAT Compliance

- Full cross-border tax advisory (CIT, VAT, payroll, withholding tax).
- VAT registration and ongoing VAT compliance for Polish projects.
- Optimization of cross-border supply and installation contracts.

Contracts & Risk Management

- Drafting and negotiation of EPC, service, and maintenance contracts.
- Review of framework agreements, warranties, and liability clauses.
- Legal due diligence for Polish partners and subcontractors.

Day by Day Ongoing Legal & Administrative Support

They Trusted Us

DEUTSCHE WINDTECHNIK

Deutsche Windtechnik sp. z o.o. is a subsidiary of Deutsche Windtechnik AG, an internationally active service provider in the field of wind energy.

IN.VENTUS

in.ventus was founded in 2012 by a team of experienced experts in the areas of development, turnkey construction, financing, management, and restructuring of wind farm projects, with a special focus on the Polish market.

ENERGIEQUELLE GmbH

Energiequelle GmbH is an international company that specializes in the development, construction, and management of projects in the field of renewable energies.

WPD WINDMANAGER

wpd windmanager Poland specializes in the technical and commercial management of wind and photovoltaic parks and offers a wide range of services to provide its customers with comprehensive service for their projects.

VORTEX ENERGY

Vortex Energy is a market leader in Poland and a part of the Vortex Energy Group whose services include wind park project planning, construction, financing and management.

ARCTIC GREEN ENERGY

The projects of Arctic Green Energy include geothermal heating and cooling systems as well as the production of green electricity in Asia, Europe, and the Middle East. Our law firm has supported Arctic Green Energy in its negotiations concerning large geothermal projects with major heat consumers in Berlin and the Berlin city administration.
